## INFORMATION FOR NEW STUDENTS

*(last updated: January 28, 2026)*

Semmelweis University welcomes you as a prospective new student. Let us first guide you through the most important steps you need to take at this stage. This document also contains our contact details and important information about starting your studies at the University, including your obligations and guidance on visas and residence permits.

### THE MOST CRITICAL STEPS TO TAKE NOW

You can secure your place at Semmelweis University by **accepting your admission online** in SEMAPHOR. This requires the **transfer of the deposit or tuition fee** (see below) to Semmelweis University. You can upload an electronic copy of the bank transfer certificate and a **medical fitness certificate** in SEMAPHOR within 2 weeks from the date of your Letter of Admission. The expected form of medical fitness certificate can be downloaded through this link: <https://semmelweis.hu/registrar/med-certificate>. Beware, if you do not take these steps on time, your place will be lost! Be prepared that international wire transfers may take several days, especially if initiated from outside of the European Union. **Make sure that your bank transfer includes your Application ID (S26XXXXX) as indicated in the letter of admission.**

All applicants are kindly asked to reply to the offer of admission within 2 weeks, even if they do not wish to fill the place offered. Although the place will be automatically lost in the absence of a timely online acceptance sealed with a deposit payment, it is greatly appreciated if applicants who do not wish to accept admission explicitly record their refusal in SEMAPHOR. This polite gesture will make the work of the admissions team a lot easier.

If you require a student visa, please take the necessary steps in time (see below).

As mentioned above, a deposit is required to secure admission. Although the payment of the remainder of the tuition and enrolment fees can be deferred until July 31, you can choose to pay the full amount now. Special rules may apply for those who need a student visa.

Prepare for your travel to Budapest and arrange your accommodation in the city. It is important to arrive in Budapest in time to take part in the events of the enrolment week at the end of August.

### GENERAL INFORMATION

The first semester is scheduled to start at the beginning of September, with the **Opening Ceremony with the Freshmen's vow** taking place at the **end of August**. **New students must attend** the Opening Ceremony. **Enrollment** (student registration) will take place before the ceremony at a time to be announced later.

Please arrange your student visa and residence permit in good time (see guidelines below) and note that proof of payment of the deposit/fee must be attached to your visa application.

Our students are provided a health care service, which includes an English-language call center, GP-service and treatment at the Polyclinics and Clinics of Semmelweis University. This service is granted during active semesters until the end of studies, provided that tuition fees have been paid.

You will need to bring the following to the enrollment (student registration):

- your passport for checking,
- original Matriculation / School Leaving Certificate (validated English translation if applicable) for checking,
- a hard copy of your matriculation / School Leaving Certificate for preservation at the University.

The medical aptitude of our enrolling students must be certified in a Health Record Booklet at the beginning of their studies, and this aptitude test (<https://semmelweis.hu/registrar/information/aptitude-test/>) will be repeated annually throughout your studies. The tests are organized and the costs are covered by the university. Further details will be provided after enrollment.

**Further and more specific information about enrolment and related events, including the Freshmen's Day, where you can get to know our university and life in Budapest, will be published after August 21, 2026.**

An original Letter of Admission can be requested at [admission@semmelweis.hu](mailto:admission@semmelweis.hu). Please specify the address of delivery.

## **PAYMENT OF TUITION FEES AND OTHER DUTIES**

The tuition fee for the academic year 2026/2027 is as follows:

|                                     |                       |
|-------------------------------------|-----------------------|
| Faculty of Medicine:                | USD 10 450 / semester |
| Faculty of Dentistry:               | USD 10 450 / semester |
| Faculty of Pharmaceutical Sciences: | USD 6 620 / semester  |

Payment of a non-refundable deposit of USD 2 000 or a tuition fee (deposit included) is required for the acceptance of admission within two weeks from the date of the Letter of Admission.

**Beware! If your deposit is not received on time, your place will not be held, and your offer of admission will not be reinstated later.**

**The date of payment is the date of receipt of the amount in the University's account. International transfers can take up to 3-5 banking days! Please do not leave the transfer to the last few days!**

A one-time enrollment fee of USD 230 must be paid for new students of Semmelweis University until July 31. Students who pay the deposit at the acceptance of admission must pay the remainder of the tuition fee plus the enrollment fee until July 31. **The total amount of the first semester's tuition fee + enrollment fee (USD 10 680 at the Faculties of Medicine and Dentistry, or USD 6 850 at the Faculty of Pharmaceutical Sciences) must be paid by July 31, 2026.**

***Please note that enrollment is conditional upon payment of tuition and enrollment fees by the deadline. Applicants who do not pay the full tuition and enrollment fees by July 31 will be excluded.***

Applicants requiring a student visa must pay the tuition fee for the first semester or the first year before applying for a student visa. See more information below.

Payments should be transferred to the following bank account:

|                        |                                         |
|------------------------|-----------------------------------------|
| Bank name:             | OTP Bank Nyrt.                          |
| Bank address:          | Nádor utca 6., H-1051 Budapest, Hungary |
| Account holder:        | Semmelweis University                   |
| Account Number (IBAN): | HU57 1176 3842 0088 1016 0000 0000      |
| SWIFT code (BIC):      | OTPVHUHB                                |

**IMPORTANT:** Please include your (the applicant's) name as in the passport and the **Application ID (S26XXXXX) in your wire transfer**, otherwise it may be difficult to identify your payment.

Please note that some banks charge transfer / commission fees. Inquire at your bank as to how much you need to pay to make sure that the university receives the full amount of tuition and enrollment fees.

## ACCOMMODATION

### Semmelweis Housing

The university's official housing department has been set up exclusively for Semmelweis University students to find the accommodation they need for their stay in Budapest. Please visit <https://semmelweishousing.com/>.

## GUIDELINES ON VISA AND RESIDENCE PERMIT

### Application for entry visa and residence permit

Foreign nationals (under visa obligation) wishing to pursue studies in Hungary are required to apply for entry visa and residence permit (exceeding 90 days) in their home countries and enter the country on the entry visa issued by the Hungarian Embassy or Consulate.

For detailed information, please visit the website of the [National Directorate-General for Aliens Policing](#) (previously: Immigration Office).

To apply for an entry permit, you will need the following documents from the university:

- Letter of Admission
- proof of payment of tuition fee (you can obtain this from the university on request)  
*Citizens of countries in Africa, Asia, Eastern Europe (under visa obligation) and the Middle East are required to transfer the tuition fee for the first academic year in full before applying for an entry permit. We recommend that you contact the Hungarian embassy or consulate in your country of residence for more information.*
- proof of health insurance valid in Hungary  
*The student health service is only valid from enrollment. If you need extra health insurance for the three months of the summer before enrollment, please contact us.*

### How to reach the immigration office in Budapest

The [immigration office](#) is located at [Twin Office Center, Szegedi út 35-37., 1135 Budapest, Hungary](#). Customer service is located on the ground floor.
